

# Supplier NQC SAQ 5.0

## Sustainability Self-assessment questionnaire (SAQ)

1

### WHAT?

Supplier sustainability self-assessment (SAQ). This is an automotive industry standard; many suppliers have already completed the SAQ and only need to share it with us.

2

### WHY?

BWI Group sees sustainability as competitive advantage in the marketplace. It is not only increasingly required by our customers but also the right thing to do.

3

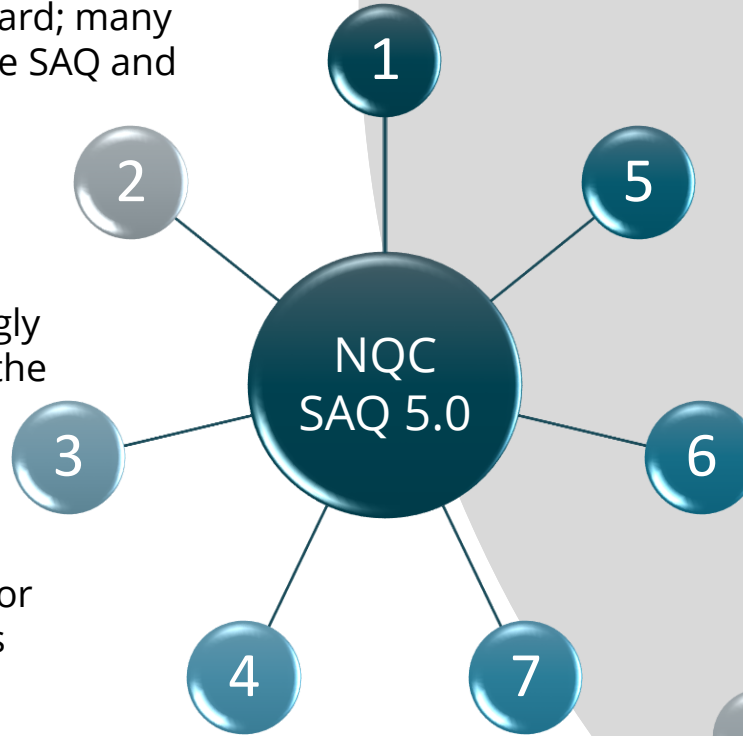

### WHO?

Selected suppliers of steel materials or components. Eventually all suppliers must complete the SAQ, see prioritization slide for more details.

4

### WHERE?

[SUPPLIERASSURANCE platform](#)

5

### WHEN?

Completed and verified SAQ should be received no later than 24 March 2024.

6

### HOW OFTEN?

NQC SAQ 5.0 is an annual requirement.

7

### HOW?

See [BWIGroup.com](http://BWIGroup.com) website for instructions. Suppliers can email questions to: [sustainability@bwigroup.com](mailto:sustainability@bwigroup.com)
